

# Scripture Memory Partner Program

John 17:17

## MATERIALS REQUIRED:

150 \* 3 x 5 cards  
 2 \* 3 x 5 card file boxes  
 One Friend

## INSTRUCTIONS:

1. Write each verse on a 3 x 5 card. Put the reference at the beginning of the verse and at the end. This helps you to memorize the reference too. On the back of the card, write the topic, the reference, and the date. Use this side to quiz yourself on the verse written on the front.
2. Memorize the verse for each topic by repeating it 4-7 times each day for a week.
3. Review memorized verses once a day for 6 weeks (Keep all memory cards in I pack for the first 6 weeks).
4. Place the first verse card memorized into the once-a-week file box and review it once a week for 6 weeks.
5. After 12 weeks, begin to put one verse card a week from the weekly file box into the once-a-month file box for review once a month for 6 months.

Accountability is one of the keys to successful memorization of Scripture. Most of us give up when we try to do it ourselves. Choose a Scripture memory partner and be accountable to each other by quizzing one another on the verses weekly. Preferably, your memory partner should not be a member of your immediate family.
